THE EDUCATION YOU NEED
THE ATTENTION YOU DESERVE
THE FUTURE YOU DREAM

LOURDES MATHA COLLEGE OF SCIENCE AND TECHNOLOGY TRIVANDRUM

LOURDES MATHA
COLLEGE OF SCIENCE AND TECHNOLOGY
An ISO 9001:2015 Certified Institution
Approved by AICTE & Affiliated to the APJ Abdul Kalam Technological University
Managed by the Archdiocese of Changanacherry

OUR JOURNEY

As flag bearers of excellence in professional education in south Kerala, 'Lourdes Matha Catholic Educational Society' was established by the initiative of Rev. Fr. Joseph Kurinjiparambil, former vicar of Lourdes Forane Church, Trivandrum with the encouragement of a group of Syrian catholic parishioners who had left indelible impression in the domain of education. This initiative had the blessings and patronage of His Grace Mar Joseph Powathil the then Archbishop of Changanacherry. Lourdes Matha College of Science and Technology (LMCST) came into existence in 2002 out of the vision of this society to establish an engineering institution of repute in this part of the state.

Later, another institution was started to impart education relevant to the evergreen hospitality industry, namely, Lourdes Matha Institute of Hotel Management & Catering Technology (LMIHMCT). These colleges are approved by the Govt. of Kerala and All India Council for Technical Education (AICTE) and affiliated to APJ Abdul Kalam Technological University and University of Kerala respectively.

Lourdes Matha Group of Institutions are now managed by the Archdiocese of Chaganacherry.

OUR DIRECTOR

Fr. Dr. Tomy Joseph Padinjareveettil was the Principal of St. Berchmans College (Autonomous) Changanacherry for 8 years. During this period, the college became autonomous and ranked 46th in the National Institutional Ranking Framework (NIRF) of MHRD, Government of India in 2018. As a member of the Syndicate of Mahatma Gandhi University twice and as the Chairman and later the General Secretary of the Consortium of Autonomous Colleges in Kerala, he served the higher education scenario for many years. He is a member of the NAAC peer team of UGC and Member in the Advisory Committee for the UGC scheme for College with Potential for Excellence (CPE) nominated by Chairman, UGC. He was among the 5 principals from India selected by Australian Government to visit Australian universities to establish international academic collaborations in 2012.

LOURDES MATHA COLLEGE OF SCIENCE AND TECHNOLOGY

VISION

Establish a Centre of Excellence for Professional Education with focus on societal service for nation building, research and development in cutting edge technologies for the benefit of humanity.

MISSION

Mould world class professionals by enabling knowledge acquisition for research and development, design of novel systems and scientific analysis with focus on team work culture, continual learning, creating sustainable environment and noble society using modern technologies.

ABOUT LMCST

LMCST having 20 years of academic excellence, was established in the year 2002 by the Lourdes Matha Catholic Educational Society and is being managed by the Archdiocese of Changanacherry. The campus is spread over 25 acres at Kuttichal, in the vicinity of the capital city, a scenic location with the picturesque lush greenery in the backdrop of misty Western Ghats, the perfect ambience for academic pursuit. We have excellent infrastructure, smart class rooms, laboratories, hostels, modern conference halls and amenities for co-curricular and extra-curricular activities. Well experienced and dedicated faculty imparting quality education has been the hallmark of our college.

OUR PRINCIPAL

Dr. Beshiba Wilson, our Principal, is an icon of enthusiasm and a dynamic person who is committed towards the growth of the institution. She joined the institution in 2003 as a Lecturer and served as Head of the department of Computer Science and Engineering and now as the Principal of the institution. She is a passionate and caring teacher with a perfect blend of energy, enthusiasm and knowledge. She guides the students and leads the faculty team with vigor to achieve the educational goals. As an administrator she has been firmly result-oriented with a steady vision.

She has been an ambitious contributor in the field of Science and Technology and an active member of Indian Society for Technical Education (Life Member), Computer Society of India and International Association of Engineers. She has received the best paper award in international conferences, served as the resource person for faculty development programmes and has published more than 25 technical papers in international journals and conferences with high impact factor.

ADMISSION

B.Tech

☞ **CIVIL ENGINEERING**

☞ **COMPUTER SCIENCE & ENGINEERING**

☞ **ELECTRICAL & ELECTRONICS ENGINEERING**

☞ **ELECTRONICS & COMMUNICATION ENGINEERING**

☞ **MECHANICAL ENGINEERING**

ELIGIBILITY

Candidates who have passed Higher Secondary Examination, Kerala or Examinations recognized as equivalent thereto, with Physics and Mathematics as compulsory subjects and Chemistry as one of the optional subjects with at least 45% put together in the above subjects are eligible for admission. In case the candidate has not studied Chemistry, the marks obtained in Computer Science shall be considered. In case the candidate has not studied Chemistry and Computer Science, the marks obtained in Biotechnology shall be considered. In case the candidate has not studied, Chemistry, Computer Science & Biotechnology, the marks obtained in Biology shall be considered.

The marks as shown in the mark list of the Board of Examinations obtained from the respective Higher Secondary Board shall be considered for academic eligibility.

SEAT SHARE

There are two categories of seats
- **Seat under Government quota**
- **Seat under Management/ NRI quota**

GOVERNMENT QUOTA

To get admission in the Govt. quota, the student has to qualify in the Entrance Examination conducted by the Commissioner for Entrance Examination (KEAM) with high marks and apply online according to Govt. procedures and opt LMCST as choice of Institution. For opting Lourdes Matha College, please use the college code as **LMC**.

MANAGEMENT / NRI QUOTA

Admission to management quota will be on the basis of merit only, by adding marks obtained in the entrance examination conducted by state Commissioner for Entrance Examinations and the marks obtained in the qualifying examinations and will be apportioned in the ratio of 50:50.

To get admission in NRI quota, the candidate need not appear for the Entrance Examination. Once the admission is confirmed, then the student cannot change branch or college. NRI fee is non - refundable. There should be an NRI sponsor (parent or close relative) for the student. NRI fees and number of seats are subject to govt. approval.

POSTGRADUATE PROGRAMMES
M.Tech

Applied Electronics & Instrumentation (ECE)

Computer Science & Engineering (CSE)

Control Systems (EEE)

ELIGIBILITY

Candidates must have successfully completed their engineering degree with a minimum of 60% aggregate from an institution approved by the AICTE/ Deemed Universities.

For SC/ ST candidates, a pass in Engineering Degree course is sufficient.

For SEBC students a minimum of 54% aggregate in the engineering degree examination is mandatory.

MBA
In Academic Collaboration with XIME

ELIGIBILITY

Admission is purely based on norms and stipulations by the University. Essentially a candidate seeking admission should have :

- A valid CAT/CMAT/KMAT score
- A pass in degree examination with 50% marks, as stipulated by the University.
- Final year degree students who will be eligible at the time of admission can also apply.

MCA
Two year Programme

ELIGIBILITY

*Admission is pureley based on norms & stipulations by Government/KTU.

- Candidates should have passed BCA / BSc. Computer Science or B.Tech Computer Science or equivalent Degree.

  OR
- Passed any recognized Bachelor's Degree of minimum 3 years duration in any discipline with Mathematics at 10 + 2 level or Graduate level.
- The candidate should have secured a minimum aggregate of 50% marks in their Degree examination.
- For SEBC students, a minimum of 45% aggregate in the degree examination is mandatory .
- For SC/ST candidates, a pass in degree course is sufficient.
- Candidate should qualify the entrance examination conducted by DTE Kerala.

RESEARCH PROGRAMMES
Ph.D.
Regular & Part time

Electronics & Communication Engineering

Computer Science & Engineering

Electrical & Electronics Engineering

ELIGIBILITY
As per the Kerala Technological University norms and regulations

OUR UNIQUE SCORES

- IIT Bombay remote center.
- Online & offline placement training for students.
- Advanced partnership with Infosys, UST Global, and ICT Academy.
- Research Advisory Council "LIFE" to promote research activities.
- Green Campus adopted with green protocol.
- In campus hostel facilities for boys and girls.
- Attractive Scholarships for meritorious students.
- State of the art Laboratory facilities
- Excellent E-learning Facility.

HOW TO APPLY

- Applications can be submitted online by visiting the college website (www.lmcst.ac.in) along with the prescribed application fees.
- All the required details needs to be filled up online along with the supporting documents.

HOSTEL FACILITY

The College has excellent residential facilities for the students admitted to the various courses. The two campus hostels, St. Thomas Hostel for Boys and Assisi Hostel for Girls, are taken care of by dedicated Catholic Priests and Nuns. Every effort has been made to provide the best facilities for students who live on campus. 24 x 7 Wi-Fi connectivity is enabled in rooms. There is a strict set of hostel rules regarding general discipline, study time, mess time etc. Ragging in any form is strictly prohibited in hostels. A chapel is provided, so that catholic students can attend the daily Holy Mass and prayer meetings.

ST. THOMAS BOYS HOSTEL

St.Thomas Hostel is managed by a Priest of Changanacherry Archdiocese, who is the Chief Warden and a team of Wardens drawn from the faculty. Hostel Executive Committee takes decisions on routine matters. Biometric system has been introduced to monitor the attendance and presence of students in the hostel. Hostel has fullfledged supporting staff, security staff and other workers.

Fr. Varghese Nambimadom,
Warden, St. Thomas Boys Hostel,
Ph : 9633521483

ASSISI GIRLS HOSTEL

Assisi Hostel for girls is run by Franciscan Clarist Sisters. The Management evinces keen interest in ensuring that the living of the boarders on the campus should be secure, safe and academic oriented.

Mar Thoma Sleeha church near to the ladies hostel celebrates Holy Eucharist daily.

Sr. Catherine FCC,
Warden, Assisi Girls Hostel,
0472-2853922.

TRANSPORTATION

We provide comfortable and convenient transportation facility for the students and staff members from every nook and corner of Trivandrum district on all working days.

LOURDES MATHA SCHOLARSHIPS 2022

- *Various Scholarships are available for meritorious students.*
- *For details register through our website* **www.lmcst.ac.in**

PLACEMENT

OUR MAJOR RECRUITERS

The placement cell of LMCST coordinates with prospective employers in varied engineering fields to create opportunities for students, through campus placements.
