The teaching and non-teaching staff of Lourdes Matha College Of Science And Technology successfully completed a one-day tour to Braemore on 30/12/2012, aimed to provide a break from academic routine and foster team bonding among faculty, Director and Principal of our College.

Braemore Waterfalls, located in the lush, 900-acre Braemore Estate near Ponmudi in Thiruvananthapuram, is a hidden, serene destination known for its pristine natural beauty, 50+ surrounding waterfalls, and rich biodiversity. It was a calm atmosphere with a rustic tea factory, over 900 acres of tea, rubber, coffee, and spices are there.

The team visited several scenic spots, including the Palode Botanical Garden. The garden has a wide variety of rare and medicinal plants, including water lilies and lotus. There are different sections with bamboo forest, man-made and natural river.

The trip was highlighted by a special lunch and also filled with fun games, dance, specially a song by Ms. Aparna (Assistant Professor)

"It was a refreshing break that brought us all closer," said our Principal Dr. Beshiba Wilson.
