STUDENTS GRIEVANCE REDRESSAL COMMITTEE

MINUTES OF MEETING

Students Grievance Redressal committee conducted a meeting with the members and student representatives of various departments at HoDs room (EEE department) on 8/4/2019. The meeting commenced at 1.30 pm.

The following are the points discussed in the meeting.

- Students of Mechanical department have complained that the drinking water facility provided in their block is not getting refilled properly. Hence most of the days they are not getting sufficient drinking water in this season..
- MCA students complained that there is a shortage of 1 table and 3 to 4 chairs in their dining hall. Also requested to provide a fan in the dining hall. Prof Anjana.J of MCA department is entrusted to look into the above matter.
- Civil students have also complained about the shortage of chairs in their dining hall. Prof: Indu Rajan is entrusted to look into this matter.
- It has been informed that the regulators of most of fans are not working especially in CS and MCA block.
- Students of B.Tech, MCA and MBA (all girl students are having overcoat) unanimously requested to give permission for wearing colour dress during this summer season as they cannot withstand the severe hot. Since the girl students of MCA and MBA are having black coat as uniform they find it very difficult to afford this situation. Faculty representatives have also recommended to grievance cell to consider this matter seriously and take immediate action.
