Our Vision

Establish a Centre of Excellence for Professional Education with focus on societal service for nation building, research and development in cutting edge technologies for the benefit of humanity.

Our Mission

Mould world class professionals by enabling knowledge acquisition for research and development, design of novel systems and scientific analysis with focus on team work culture, continual learning, creating sustainable environment and noble society using modern technologies.

About LMCST

LMCST having 22 years of academic excellence, was established in the year 2002 by the Lourdes Matha Catholic Educational Society and is being managed by the Archdiocese of Changanacherry. The campus is spread over 25 acres at Kuttichal, in the vicinity of the capital city, a scenic location with the picturesque lush greenery in the backdrop of misty western ghats, the perfect ambience for academic pursuit. We have excellent infrastructure, smart class rooms, hostels, modern conference halls and amenities for co-curricular and extra-curricular activities. Well experienced and dedicated faculty imparting quality education has been the hall mark of our college.

Dr Beshiba Wilson has been an ambitious contributor in the field of science and technology and an active member of Indian Society for Technical Education and International Association of Engineers. She has published more than 25 technical papers in international journals and conferences with high impact factor. She is a passionate and caring teacher with a perfect blend of energy and enthusiasm. She guides the students and leads the faculty team with vigour to achieve the educational goals.
