Director's Message

LMCST is making remarkable achievements in academic and co-curricular activities of the students and academic ecosystem for the faculty and students. The concerted efforts of faculty and staff to motivate the students in their pursuit of academic excellence is appreciated. In addition, inculcating good moral values is of paramount importance in student development. It is highly satisfying to know the release of the newsletter highlighting all the major activities of our campus and disseminate the same to both within and outside the campus. The newsletter would be beneficial to the LMCST family for the continuous evaluation for the improvement. I congratulate the vibrant editorial team for their hard work and dedication in the preparation of this edition of the newsletter. My best wishes for the students, faculty and staff.

Dr. Tomy Joseph Padinjareveetil

Principal's Message

Our Newsletter portrays the academic accomplishments, milestones, activities, experiences and enables to back propagate for the critical evaluation essential for future improvement. In this sense, it is a very important medium to disseminate pertinent information relevant to us. Sustained efforts in all dimensions targeting excellence in teaching-learning process, improved knowledge dissemination, skill and personality development of students, significant efforts for placement training in addition to charity and extension activities to the society at large are significant. The dedication of faculty and support staff is appreciated. The resourceful students of LMCST are the asset to transform our country a developed nation in all spheres. I congratulate the newsletter team and all those who have contributed for the same. My best wishes for the students, faculty and staff.

DEPARTMENT OF CIVIL ENGINEERING

Department News &Activities

- FECTA, the Civil Engineering Association of LMCST in association with IEDC conducted a technical talk on 'Floating Ideas' on 12th February 2020. The speaker was Er. Nanma Gireesh (Co-Founder NestAbide / Translational-Civil Engineer/ Consultant / TEDx Speaker) Dr. P P Mohanlal, Principal, LMCST presided over the event. Prof. Mohan S, HOD Civil Engineering Dept. did the felicitation. FECTA student coordinator Mr. Adithya Sabu, Staff coordinator Prof. Indu Rajan, IEDC department coordinator Prof. Sheeba Kumari J S, CE dept. staffs and around 120 civil engineering students participated in the programme.

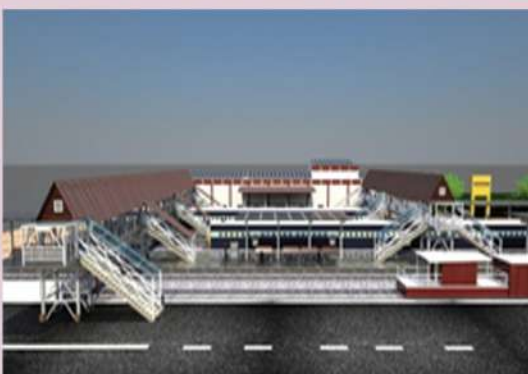

Faculty Achievements

- Prof. Indu Rajan attended the webinar on 'Introduction to Intellectual Property Rights' conducted by IPR Cell LMCST in association with IPRICK, KSCSTE Kerala on 25th June 2020.

Student Academic Achievements

- The final year students of Civil Engineering department came up with a project proposal for the extension of Kottayam Railway Station. The students group consisting of Akhil K Raj, Akshaya V R, Ameena K S and Nirmal S did the design and analysis of the extension of FOB (foot over bridge), replacement of the existing concrete FOB with steel, design of upcoming platform as well as the design of ticket counter and its stairs at Kottayam Railway Station under the guidance of Prof. Mohan S, HOD and Prof. Indu Rajan, Assistant Professor, CE dept of LMCST. The project proposal report was handed over to Shri. R Shaji Roy, IRSE, Deputy Chief Engineer, Construction, Trivandrum on 18th June 2020 by Rev. Fr. SonyMundunadakkal, Executive Director of LMCST in the presence of Principal of LMCST, Dr. P P Mohanlal.

- Ms. Reshma Chandran B secured GPA of 9.59 in the KTU S7 B. Tech examination held in December 2019

- Ms. Grace Sophia S secured GPA of 8.87 in the KTU S5 B. Tech examination held in December 2019

- Ms. Ashna S S secured GPA of 9.6 in the KTU S3 B. Tech examination held in December 2019.

- Ms. Anaswara Simon secured GPA of 8.47 in the KTU S1 B. Tech examination held in December 2019.

Student Achievements and Activities

- Aravind R A (2016-20 Batch CE), Nandagopal R, Awin A S, Ajin Raj J A, Jestin Mathew, Ananthanunni S B (2017-21 Batch CE) Harisankar T P, Sreejith G M (2018-22 Batch CE), Amal S Nair, Anand Sekhar P, Jisben S R (2019-23 Batch CE) secured Second position in Cricket tournament inter departmental tournament conducted at LMCST in March 2020.

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

Students Academic Achievements

- Ms. Shibina Shajahan secured 9.35 GPA in S5 B.Tech Degree Examination held in December 2019

- Ms. Aleena Jolly secured 8.45 GPA in S7 B.Tech Degree Examination held in December 2019

- Ms. Adithya Anil.S Secured 8.47 GPA in S1 B. Tech Degree Examination held in December 2019

- Mr. Bilal Muhammed of S4 M.Tech AEI published a paper titled "Stair shaped semicircular microstrip patch antenna with CSRR for UWB applications" in International Research Journal of Engineering and Technology, volume 07, Issue :05 ,May 2020.
- Ms. Muneera TN of S4 M.Tech AEI published a paper titled "Simultaneous Localization and mapping based voice enabled wheel chair" in International Research Journal of Engineering and Technology, volume 07, Issue :05 ,May 2020.
- ECE department got 100 % result in S3 M.Tech degree examination held in December 2019.

STUDENTS PLACEMENTS (2016-2020 BATCH)

- Mr. Hari .S of S8ECE got placement in Tata Consultancy Services
- Ms. Devu Krishna of S8 ECE got placement in UST Global , Technopark

- Akshaya V R of 2016-20 batch CE completed the spoken tutorial course in 'Blender training' organized at LMCST in association with IIT Bombay on 4th February 2020.
- Akshaya V R of 2016-20 batch CE participated in the quiz competition on 'Life of Gandhi' conducted by TKM College of Engineering on 27th February 2020.
- Akshaya V R ,Devu Anil, Akshara P S, Reshma S, Angel M S of the 2016-20 batch CE won the 1st prize in the group dance competition as part of Talent day celebrations of LMCST on 14th February 2020.
- Adithya S D of 2017-21 batch won the 1st prize in the cinematic song competition held as part of Talent day celebrations of LMCST on 14th February 2020.
- Varsha M Vijay, Gouri Nandana, Dona Mariya, Anuja B S, Nayana Reghu of 2019-23 batch CE won the 2nd prize in the group dance competition as part of Talent day celebrations of LMCST on 14th February 2020.
- Aameena K S, Midhuna B S, Anjitha S Ail, Jhansi S Balakrishnan, Angel M S, Gopika Babu, Anchu Anil, Anjitha S Anil of 2016-20 batch CE participated in the group song event held as part of Talent day celebrations of LMCST on 14th February 2020.
- Gokul G T, Agan S, Nandagopal R , Adarsh V S, Mohammed Anes of 2017-21 batch participated in the group dance competition as part of Talent day celebrations of LMCST on 14th February 2020.
- Anjitha S Anil and Joffy James of 2016-20 batch CE participated in the Gandhi quiz organized by NSS unit competition held at LMCST on 14th February 2020.
- Nayana Krishnan of 2016-20 batch CE participated in the webinar on 'Isometric drawing' organized by Intercad Systems Trivandrum on 13th April 2020.
- Nayana Krishnan of 2016-20 batch CE participated in the webinar on 'Staad v8i v/s connect edition' organized by Intercad Systems Trivandrum on 7th April 2020.
- Nayana Krishnan of 2016-20 batch CE participated in the webinar on 'ANSYS APDL' organized by Intercad Systems Trivandrum on 3rd April 2020.
- Akhila Navas of 2016-20 batch CE won the 1st prize in 100m running race for girls at the LMCST sports meet held in February 2020.
- Akhila Navas of 2016-20 batch CE won the 1st prize in 200m running race for girls at the LMCST sports meet held in February 2020.
- Akhila Navas, Angel M S, Gopika Babu G P and Jhansi S R Balakrishnan of 2016-20 batch CE won the 2nd prize in relay for girls at the LMCST sports meet held in February 2020.

- Ms. Nayana Tressa of S8ECE got placement in Wipro
- Mr. Vishnu of S8 ECE got placement in Cognosin Pvt Limited, Technopark.
- Ms. Ajina James of S8 ECE got placement in GIOX

Faculty Achievements

- Prof. Jinju Joy got International Best Researcher in Remote sensing sponsored by RULA Awards on January 2020.
- Prof. Jinju Joy published a paper titled “Comparative Study of Different Intensity Hue Saturation based Image Fusion Techniques in Remote sensing “,Int. J Inf .Technology Electr.Eng., Vol.9,No.3 pp.130-137,2020.[UGC-CARE].
- Prof. Jinju Joy has participated ,one week FDP titled “PYTHON “organized by Department of Tele communication Engineering SKN SINGHAD College of Engineering, Korti, Pandharpur Maharashtra, in association with spoken tutorial IIT Bombay during the month of May 18th to 23rd May 2020.
- Prof. Jinju Joy has participated in a webinar on “Knowledge sharing session on tips for research proposal and papers” organized in association with IEEE,ISTE, ISI students branches and MHRD –IIC conducted by K Ramakrishnan college of Engineering, on 1st May 2020.
- Prof. Sreelekshmi RC and Prof. Sajitha P participated in a webinar on “Digital Marketing” on May 9th 2020 organized by Department of Computer Science Engineering, Francis Xavier Engineering college in association with Computer society of India.
- Prof. Sajitha P has participated in the Technical Talk on “Building Competency Converting Threats to Opportunities” Organized by Computer Society of India, Trivandrum Chapter on 24th April 2020.
- Prof. Sajitha P has participated in the webinar on “Emerging Trends in Electric Vehicle Technologies” ,Organized by Department of Electrical and Electronics Engineering, Viswajyothi college of Engineering and Technology on 26th June 2020.
- Prof .Sajitha P, Prof. Soorya S.R, Prof. Soumya V.S participated in the webinar on “Introduction to Intellectual Property Rights” conducted on 25th June 2020 hosted by IPR cell LMCST jointly with IPRICK, KSCSTE, Govt. of Kerala.

- Prof. Jinju Joy and Mr. Bilal Muhammed(PG Scholar) published a paper titled “Stair shaped semicircular microstrip patch antenna with CSRR for UWB applications” in International Research Journal of Engineering and Technology, volume 07,Issue :05 ,May 2020.
- Prof. Sajitha P and Ms. Muneera T N (PG Scholar)published a paper titled “Simultaneous Localization and mapping based voice enabled wheel chair” in International Research Journal of Engineering and Technology, volume 07,Issue :05 ,May 2020.
- Prof. Bincy Louis has participated in webinar on ‘Emergency’ Organized by NSS cell, Faculty of Engineering and Technology JAIN (Deemed to be University, Bangalore on 29th June 2020.
- Prof. Soorya S.R has participated in the webinar on ‘power Electronic converters for Electric vehicle-new generation low cost vehicles organized by IEEE and IEEE-IAS on 24th June 2020.
- Prof. Sajitha P and Prof. Jinju Joy, actively participated in “International day of yoga” Online Quiz programme conducted by the Department of Electrical and Electronics Engineering, NICHE, Kumarakoil , Thucklay, Kanyakumari District on 21st June 2020.

DEPARTMENT OF MECHANICAL ENGINEERING

International Conference Attended:

- Prof. Bindu M V participated in the International Virtual Conference on "Innovations in Advanced Material Processing and Manufacturing (IAMPM-2020)' organized by Centre for Innovative Manufacturing Research(CMR), VIT Vellore on 24th June 2020.
- Prof. Bindu M V participated in the One Day International Virtual Conference "Micro plastics 2020" organized by Centre for Nanobiotechnology(CNBT) at Vellore Institute of Technology(VIT), Vellore on 30th June 2020.
- Prof. Bindu M V participated in the International Virtual Conference "CO2 and Green Technologies" jointly organized with Florida Agricultural & Mechanical University, USA held on 1st and 2nd July 2020.
- Prof. Bindu M V participated in the International Virtual Conference on Advanced Nanomaterials Applications (VCAN2020) organized by Centre for Nanotechnology(CNR) at Vellore Institute of Technology(VIT), Vellore during 17th - 19th June 2020.
- Prof. Resmi V Prasad attended International Virtual Conference on “Innovations in Advanced Materials Processing and Manufacturing” held on 24th June, 2020 organized by VIT, Vellore.

Faculty Development Programme Attended

- Prof. Bindu M V successfully completed the National Level Faculty Development Programme on "Research Initiatives in Renewable Energy Systems" conducted by the Department of Electrical & Electronics Engineering on 21st-25th July 2020.
- Prof. Bindu M V participated in six days Faculty Development Programme on "Recent Developments in Solar Energy Recovery and Storage Technologies" from 3.8.2020 to 8.8.2020 Conducted by the Department of Mechanical Engineering , St.Joseph's College of Engineering, Chennai.

Training Programmes Attended

- Prof. Bindu M V participated and completed an Online Short term Training Programme on "Research Methodology" from 28-30 May 2020, organized by the Department of Mechanical Engineering, Amal Jyothi College of Engineering, Kerala.

Workshops Attended

- Prof. Bindu M V successfully completed the Bodhi Tree and SAFE Tools for Effective Online Teaching: A Hands-On Workshop on 21 June 2020. Also attended the interaction session and successfully completed both pre and post workshop online activities, involving 3 days of video lectures and hands-on-work. The training was organized by the Teaching Learning Centre (ICT) at IIT Bombay, funded by the Pandit Madan Mohan Malavya National Mission on Teachers and Teaching, MHRD, Govt. of India.

Webinars

- Prof. Resmi V Prasad participated a webinar on "Testing and Characterization of Materials" on 03-06-2020 organized by Rohini College of Engineering & Technology.
- Prof. Resmi V Prasad attended a webinar on "Introduction to Intellectual Property Rights" on 25th June, organized by IPR cell, LMCST.

Departmental Activities

- Organized a talk on "Non Destructive Testing and Future Career Options" for S6 and S8 students of ME department on 10th February, 2020
- Organized a talk on "Electric Vehicle Design " for final year students of Mechanical Department on 13th February, 2020.

Departmental Achievements

- Harikrishnan M S (2016 – 2020 Batch) has obtained 10 SGPA in semester 8 KTU University Exams.

Harikrishnan M S

- Ajil Lal, Akshay V Nair, Jithin HL, K Karishma Karthik, Suresh PJ and Varghese Mathew has obtained more than 9 SGPA in semester 8 KTU University Exams.

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

Workshop Conducted

- Department of Electrical and Electronics organized a Two day workshop on "Introduction to LabView and Data Acquisition for Electrical Engineering" from 16-17th January 2020.

Workshops attended by Faculty

- Prof. Swapna M , Prof. Sreekala Devi K , Dr. Johnson Y , Prof. Jean Dickson , Prof Cibumol B Babu , Prof. Ashima C R , Prof. Ashitha M , Prof Gayathri Devi , Prof. Rikesh P. Mathew attended a two day workshop on “Introduction to LabView and Data Acquisition for Electrical Engineering” from 16-17th January 2020 organized by Dept. of Electrical and Electronics organized by the Department of Electrical and Electronics , Lourdes Matha College of Science and Technology.
- The Annual Inaugural Meeting of Electrical and Electronics Engineering Association of LMCST, DYUTI PRAVAH 2020 was held on 20.2.2020 at 10:30 am at LOMAA Hall. The activities for the year was inaugurated by the chief guest , Dr. S. Indulal (Deputy Director , Directorate of Technical Education).

- A Technical talk on “Fuzzy Logic Controllers” was organized as part of DyutiPravaH 2020 on February 20th at LOMMA Hall. The talk was delivered by Dr. S. Indulal (Deputy Director , Directorate of Technical Education).
- A one day workshop on “ DC Micro-grid was organized on Feb 20th , 2020 by the Department of Electrical and Electronics Engineering as part of the Departmental Association Activities, DyutiPravaH 2020.

Faculty Achievements

- Dr. Johnson Y was the faculty resource person for ASAP Lecture series in Advanced Control Theory.
- Dr. Johnson Y acted as faculty resource person for ASAP Lecture series in Measurements and Instrumentation.
- Dr. Johnson Y was the resource person for webinar conducted by EEE Dept., Baslios Mathews II College of Engineering, Sasthamkotta on “An Introduction to Robust Control” on May 19.

- Dr. Johnson Y was the resource person for webinar conducted by EEE Dept, MES College of Engineering, Kuttipuram, Sasthamkotta on “Control and Tracking of Bio-inspired Multiple Unmanned Aerial Vehicle” on June 12.
- Dr. Johnson Y was the resource person for webinar conducted by CSE Dept, University College of Engineering, Kariavattom on How to improve the Citations in Research Journals on June 12.

Faculty Attending webinars and FDP

- Prof Jean Dickson Attended a webinar series on “Accreditation and Quality of Engineering Education from ABET Prespective” organized by IEEE Kerala section and APJ Abdul Kalam University.
- Prof. Jean Dickson Attended a webinar on “Insights into Block chain” organized by Christ Nagar College and Computer Society of India Trivandrum Chapter.
- Prof. Rikesh P. Mathew Attended a webinar on “Robotic Fundamentals” organized by Sreepathy Institute of Management & Technology on 3rd May.
- Prof. Rikesh P. Mathew Attended a webinar on “VANETS (Vehicular Adhoc Networks)” organized by Nehru Group of Institutions on 3rd May 2020.
- Prof Jean Dickson , Prof. Rikesh P. Mathew Attended a webinar on “Towards cloud and edge computing in Electric Cars” organized by Providence College of Engineering on May 5.
- Dr. Johnson Y Attended a webinar on “ARTIFICIAL INTELLIGENCE IN MEDICAL FIELD” organized by Providence College of Engineering on May 5.
- Prof. Rikesh P. Mathew Attended a webinar on “ Global Trends in EV Power Train” organized by College of Engineering , Aranmula on 14th May
- Prof. Rikesh P. Mathew Attended a webinar on “ Energy Audit” organized Sri Buddha College of Engineering Pattoor on 19 May.
- Prof. Jean Dickson Attended a webinar on “Empowering the Entrepreneur in You” organized by Christ Nagar College and Computer Society of India Trivandrum Chapter on May 27.
- Prof. Jean Dickson Attended a Short Term Course on “Research Methodology” organized by Amal Jyothi College of Engineering from 28-30 May , 2020.
- Prof. Jean Dickson Attended a Short Term Course on “Electric Power Systems” organized by Coursera, University at Buffalo and The State University of New York.
- Prof. Jean Dickson Attended a Short Term Course on “Photovoltaic Solar Energy” organized Coursera, École Polytechnique, France.

- Prof Jean Dickson Attended a webinar on “A Power Electronics Converters For Electric Vehicle New Generation low cost solutions” organized by Jyothi Engineering College, Cheruthuruthy on June 2.
- Prof. Jean Dickson Attended a Short Term Course on “General aspects of industrial Energy Audit” organized by Mar Baselious Christian College, Peerumedu on June 9.
- Prof Rikesh P. Mathew attended a webinar on “Impact of Plagiarism & Citation” organized by Lourdes Matha College of Science and Technology on June 2.
- Prof Jean Dickson Attended a webinar on “Analyse effectively to get relevant and latest literature” organized by Jyothi Engineering College, Cheruthuruthy on June 25.
- Prof Rikesh P. Mathew attended a webinar on “POWER ELECTRONICS CONVERTERS FOR ELECTRIC VEHICLE- NEW GENERATION LOW COST SOLUTIONS” organized by JYOTHI ENGINEERING COLLEGE on June 24.
- Prof Rikesh P. Mathew attended a webinar on “General aspects of industrial Energy Audit” organized by JYOTHI ENGINEERING COLLEGE on June 24.
- Prof. Swapna M , Prof. Sreekala Devi K , Dr. Johnson Y , Prof. Jean Dickson , Prof Cibumol B Babu , Prof. Ashima C R , Prof. Ashitha M , Prof Gayathri Devi , Prof. Rikesh P. Mathew attended a webinar on “Introduction To Intellectual Property Rights” organized by Lourdes Matha College of Science and Technology on June 25.
- Prof Jean Dickson Attended a webinar on “Machine Learning Toolkit-WEKA” organized by University Engineering College Kariyavattom on June 26.
- Prof Ashitha M , Prof. Rikesh P. Mathew Attended a webinar on “SOLAR PHOTOVOLTAIC CELL” organized by JYOTHI ENGINEERING COLLEGE on June 26.
- Prof. Rikesh P. Mathew , Prof Ashitha M Attended a webinar on “EMERGING TRENDS IN ELECTRIC VEHICLE TECHNOLOGIES” organized by VISWAJYOTHI COLLEGE OF ENGINEERING AND TECHNOLOGY on June 26.
- Prof . Ashitha M Attended a webinar on “ROBOTICS PROCESS AUTOMATION WITH ARTIFICIAL INTELLIGENCE” organized by Novitech on June 28.

- LMCST Netball Women team participated in the APJAKTU Intercollegiate Netball tournament held at Mar Baselious College, Nalanchira on 26th& 27th January 2020.

SPORTS DAY 2020

- Lourdes Matha College of Science & Technology Inter department Athletic meet was held at LMCST Stadium on 19th February 2020. Rev. Dr. Tomy Joseph Padinjareveetil, Director Lourdes Matha Group of Institutions inaugurated the meet. It was a gratification that many dignitaries graced the inaugural ceremony: Dr. P P Mohanlal, Principal LMCST and Rev. Fr. Avies Edachethra, Treasurer, Lourdes Matha Group of Institutions. More than 400 athletes from 7 departments were participated in the meet.

DEPARTMENT OF PHYSICAL EDUCATION

- LMCST Netball Men team participated in the APJAKTU Intercollegiate Netball tournament held at Mar Baselious College, Nalanchira on 26th& 27th January 2020.
